For the Agenda of:
September 14, 2006

To: Board of Supervisors
From: Department of Personnel Services
Subject: Report Back - Vacant Positions
Contact: David Devine, Director, Personnel Services, 874-4383

BACKGROUND

At the September 6, 2006 budget hearing the Board requested information on the number of vacant positions located in each department.

DISCUSSION

Attached are two reports produced monthly by the Department of Personnel Services. The first report summarizes the total positions and the number of vacancies per department. It also lists the vacancies according to the amount of time they have been vacant. The second report provides the detail of total positions and vacancies by department.

Based on these reports the current vacancy rate is 11.6% and the total number of authorized positions is 14,275.5. The vacancy rate in June 2005 was 13.1 % with a total number of authorized positions at 14,227.2. There is a 1.5% reduction in the vacancy rate from 2005 to 2006.

The County Executive Office will be doing a complete analysis of vacant positions and will return to the Board with a report and recommendations during the mid-year budget update.

Respectfully submitted,

DAVID DEVINE, Director
Department of Personnel Services
